

IMPORTANT INFORMATION

WELCOME

Congratulations on purchasing an EPSON Stylus Inkjet printer. As you will soon discover, this is just the beginning - there's so much more to printing with EPSON.

From inkjets, digital cameras, scanners, multimedia projectors, consumables and speciality media to laser and dot matrix printers, EPSON offers a comprehensive range of products and support services.

EPSON Stylus Inkjets can't be beaten for performance, flexibility and value. Whatever your printing requirements, EPSON's position at the forefront of colour home and business printing ensures that you get the results you need.

EPSON®

PROTECT YOUR INVESTMENT

Performance and reliability are key features of successful printing, and there's a simple way to ensure that your new EPSON Stylus Inkjet provides you with the ultimate in trouble-free service throughout its long working life.

EPSON doesn't compromise its standards - and we suggest you don't either. Only genuine EPSON inks and papers match the meticulous levels of design, technology and quality control found in your inkjet printer.

If you want to get the best out, you must put the best in. To ensure the ultimate in quality throughout the entire printing process, and to safeguard your investment with long trouble-free service, there really is no substitute for EPSON genuine consumables.

Why risk anything else?

EPSON®

There's always a place for cheap consumables

GENUINE EPSON CONSUMABLES AND PAPER MEDIA - ACCEPT NO SUBSTITUTES

EPSON does not manufacture consumables and papers for anyone else. We do not compromise our standards, so why should you?

EPSON Stylus inkjet printers are renowned for their great printing results up to 1440dpi every time, even on plain paper. But for truly fantastic PhotoReal® output EPSON's extensive range of specially formulated inks, coated papers and speciality media can't be beaten.

With genuine EPSON consumables and papers quality is assured, leaving you free to concentrate on the wealth of creative possibilities.

**REMEMBER -
EPSON DO NOT
MANUFACTURE
CONSUMABLES
FOR ANYONE ELSE!**

EPSON®

NO LIMITS

A WORLD OF POSSIBILITIES

EPSON's range of genuine consumables and papers include an amazing variety of sizes, formats and finishes, designed to bring you the ultimate in print quality, with vibrant colour for prints that really stand out from the crowd.

Whether you are a first time user or a professional, your photos, labels, stickers, invitations, greeting cards, posters, signs and T-Shirts will never be the same again. Thanks to a range that includes everything from photo stickers, transfers and transparencies to glossy photo paper and panoramic paper, there really is no limit to what can be achieved with EPSON genuine consumables and papers.

Read on to discover the comprehensive media range designed especially for use with your EPSON Stylus inkjet.

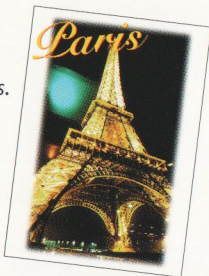

EPSON®

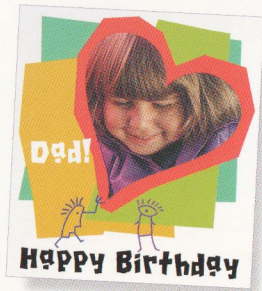

EPSON PHOTO STICKER PAPER

For a fun and creative approach to printing, EPSON's unique 16 and 4 sticker Photo Sticker Paper sheets broaden the parameters of creative home printing. Revolutionise labelling, business cards, invitations and more. Used with EPSON Print Adventure software, you cut and paste photos and text into one of many templates.

WAKE UP TO A WORLD OF POSSIBILITIES

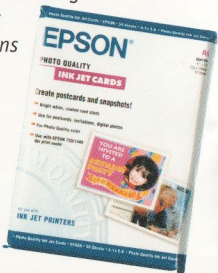

Personalised greeting cards that are sure to impress.

EPSON PHOTO QUALITY INK JET CARD

There are two types of pure white matt coated ink jet card. One is ideal for printing certificates and notices and the other supplied with envelopes, ideal for producing personalised greeting cards, party invitations and great looking postcards.

EPSON PHOTO QUALITY SELF ADHESIVE PAPER

Pure white matt self adhesive coated paper is ideal for printing posters, notices, book covers and much more. Produce your own sticker messages that you can simply stick anywhere. Useful for all sorts of applications.

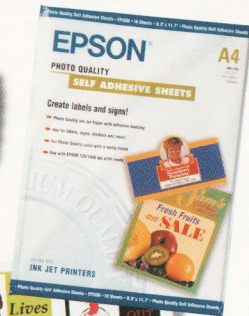

EPSON IRON-ON COOL PEEL TRANSFER PAPER

Print from computer generated images or scanned photographs directly onto EPSON Iron-on transfer paper and then simply iron on to anything cotton. Great for personalised T-shirts, sweat-shirts and bags etc.

Handy personalised stickers that can be informative or fun.

EPSON - PRODUCTS TO SUIT

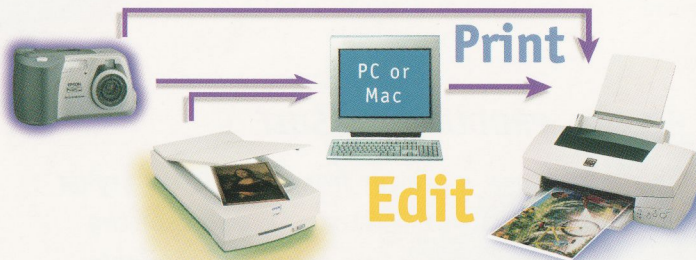

Having selected a printer from the EPSON Stylus Inkjet range, you will already be aware of the broad selection of printing solutions available. As your business or home requirements change, EPSON has an inkjet to match.

But world-beating inkjet printers are just one element of EPSON's comprehensive product line-up. In addition, EPSON Scanners and Digital Cameras perfectly complement the Stylus range, while a host of further products - from EPSON Multimedia Projectors to Laser and Dot Matrix printers - offer the same unbeatable levels of quality, flexibility and speed. From input to output, EPSON has it covered.

EPSON®

Capture

EPSON DIGITAL CAMERAS AND SCANNERS - PERFECT COLOUR IN-COLOUR OUT SOLUTIONS

Only EPSON digital cameras and scanners have been designed to match the outstanding abilities of EPSON Stylus inkjets, perfect for professional and home photo applications with automatic colour calibration to provide a high quality photo studio solution.

EPSON SCANNERS

EPSON's high quality scanners provide the power to capture pictures, documents, transparencies and negatives before manipulating, storing and printing them out in full PhotoReal® colour on your EPSON Stylus Inkjet printer.

EPSON PHOTOPC DIGITAL CAMERAS

Instant, filmless, digital photography of any size and format is a reality for any computer user, thanks to the EPSON PhotoPC range. These fully-featured, high resolution digital cameras can even be linked directly to many Stylus Inkjets for instant printing without using a computer.

EPSON MULTIMEDIA PROJECTORS

EPSON EMP multimedia projectors provide comprehensive, compact, high quality presentation solutions for fast-moving or static presenters and can be used all over the world.

EPSON LASER AND DOT MATRIX PRINTERS

EPSON's versatile Laser Printer range features a selection of flexible, pre-configured colour and monochrome business solutions with high speed, versatile paper handling and advanced networking capabilities.

EPSON's outstanding range of 9 and 24 pin Dot Matrix Printers includes multi-copy paper handling, advanced connectivity and unbeatable value.

EPSON. There's no comparison.

EPSON®

MORE INFORMATION

EPSON's commitment to technology, quality and flexibility is clear. However, customer satisfaction is also extremely important to us, so we want to make sure that you have everything you need to get the very best out of your new Stylus inkjet printer and all the other outstanding EPSON products.

In addition to providing full support for any questions or enquiries you may have regarding your printer, we also want to keep you fully up to date on all the latest EPSON developments.

To make this as simple as possible, EPSON can be contacted via the Web or on the phone numbers listed overleaf.

EPSON®

EPSON SUPPORT

Available 24 hours a day, 365 days a year, the EPSON Website is an invaluable resource which includes our new on-line Stylus Self Help facility for quick and easy solutions to common problems. It also features full technical support, the latest driver downloads, everything you need to know about all our latest products and much, much more. Alternatively, EPSON can be contacted by telephone for Stylus Inkjet support.

WEB SUPPORT
